Drinking water quality public supplies 2019

If there's a problem

EPA
oversees

Irish
Water
takes
action

HSE
advises

National priorities

Disinfection
keeping
water free of
bacteria

Trihalomethanes
minimising
disinfection
by-products

Lead
eliminating lead
from our
networks

Pesticides
preventing them
from entering
our waters

Water Safety
Plans
managing the
risks to our
supplies

Irish Water to take action to address these priorities

What you can do

Replace
any lead fittings
in your home

Don't waste
water

Use
pesticides
responsibly
